

Our 29th Annual Middle School Conference

Massanetta Middle School Conference transforms the faith journeys of hundreds of middle schoolers from all around the country. Every aspect of this conference is crafted with middle schoolers in mind. Conference activities like keynote, recreation, encounter groups, and workshops will be centered on the theme **“Rooted In Love”** and our key scripture passage **Ephesians 3:16-21**

“I pray that you, being rooted and established in love, may have power, together with all the Lord’s holy people, to grasp how wide and long and high and deep is the love of Christ ”

We promise it will be one of the best things your youth group does all year

COVID-19

Online Registration Instructions Check List

If registering the "old way," please return to the registration webpage and download the 2021 registration packet. The following steps should be used as a checklist to help you fully complete your online registration.

- Step 1: The church leader must submit a google form (on our webpage) or call the registrar 540-434-3829 to provide group information and numbers to reserve a spot for the group. We will then generate a "Group Hold Code" and send it to the church leader. The hold will last until April 12, 2021. After this date, all unregistered spots will open for those on the waiting list. Holds places after April 12 will last for two weeks.
- Step 2: Parents/guardians will be able to register their youth (completed 5th-8th) and adult advisors will be able to register themselves using our online registration platform, Campwise, **once the church leader has given them their group's unique "Group Hold Code."**
- Step 3: The church leader can log into Campwise and view details about participants once they have registered and can view the remaining bill for the group.
- Let everyone know of the dates and how much it will cost of the conference. Each church registered for the **Gathered at Home** option will be mailed a Rooted In Love Kit. This kit will **include conference t-shirts, resources, and other vital information** to make your MSC experience amazing. (Please note, we can only guarantee conference t-shirts to those registered by the Rooted In Love Kit deadline. That date will be determined later in the spring.)
- Make sure that youth-to-adult ratios are met (one adult for every seven youth of each gender you bring - there **must** be a male advisor if you bring male youth and a female advisor if you bring female youth). If this will absolutely not be possible, please contact the registrar and we will try to partner you with another group.
- If you are in need of **scholarship assistance**, please fill out a scholarship form and send to the Registrar **registrar@massanettasprings.org**) **before** you register. After confirmation on scholarship request, make sure you deduct the amount rewarded from your total fee.
- Please complete and return the **Housing Preference Form** (in this packet) by emailing a copy to the MSC registrar at registrar@massanettasprings.org. **Please note that we may not be able to accommodate all requests. Our Child's Protection Policy does not allow us to house adults and youth together, with the exception of parent/child relations. This means youth and adults cannot be in the same suite that is connected by a bathroom in Richardson or Hotel Addition.**
- There are three required forms your parents/youth and adult advisors will encounter while registering online: **Covenant Form, Media Release Form, and Waiver**. These **must** be completed to participate in the Middle School Conference - per participant, youth and adults.

Payment Policy - Please read carefully as our policies have changed.

For Gathered at Home AND Gathered in Person options: 75% payment for your total number of expected participants is due to Massanetta Springs no later than April 12 for registrations occurring before that date. 75% payment for registrations occurring after April 12 is due within 5 business days of registration.

- Full payment is due at least three business days prior to receiving access to live streaming and recorded content. An advance conference resource packet will be mailed to your church based on the number of participants we have registered at the time of mailing.
- Please note: With the possibility of restricted capacity for gathered in person options likely, failure to meet payment deadlines may result in your reservation being cancelled and your allocated slots given to those on the waitlist.

THE OFFICIAL DEADLINE TO REGISTER IS 1 WEEK BEFORE THE SESSION START DATE.

- If paying off-line, write one check payable to Massanetta Springs, Inc. for the complete fees of all registrants. Please include a note indicating which church and city you are from.
- If mailing materials, please try to mail everything together (covenants, photo releases, housing preferences, and check) to *Massanetta Springs 712 Massanetta Springs Road, Harrisonburg, VA 22801 ATTN: Middle School Registrar*. Materials can also be sent through e-mail to our Registrar at registrar@massanettasprings.org or faxed to 540.433.6118 (**e-mailing—please scan as a pdf only in one file if possible**).

Rooted In Love

Workshops

While you are no longer able to select your top choices for workshops, we still want to share them with you so you know what to look forward to!

<p>1. Extravagant Dimensions</p>	<p>This craft and art workshop is inspired by the The Message translation, “And I ask him that with both feet planted firmly on love, you’ll be able to take in with all followers of Jesus the extravagant dimensions of Christ’s love.”</p>
<p>2. Gardening with God</p>	<p>We are to be "rooted in love" which begs us to question: how are we rooted in loving God's creation? We can learn a lot from the roots of creation and perhaps do some hands-on planting of our own.</p>
<p>3. Soul Tending</p>	<p>This spirituality center will help us focus on tending our souls as we explore our relationship with God and what it means “to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God.”</p>
<p>4. Ask and Imagine</p>	<p>Love connects us across cultural boundaries. How can we use a “lens of love” in responding to new things and meeting new people.</p>
<p>5. Digital Footprint</p>	<p>How can we be a positive presence on social media. How can we advocate for things we care about and have healthy boundaries, rooted in love.</p>
<p>6. Limitless Love</p>	<p>Test your limits through improv and drama, take risks, learn to help each other, know what it feels like to have both feet planted firmly on the ground in a supportive and caring environment. There are no limits to God's love!</p>
<p>7. “How Deep is Your Love”</p>	<p>Using music and movies to unpack the theme of being “rooted in love” - we will learn more about how God empowers us with love to accomplish more than we could ever imagine.</p>
<p>8. Deep and Wide</p>	<p>The floor is Lava in Stewart! Teamwork is essential. “And I pray that you, being rooted and established in love, may have power, together with all the Lord’s holy people, to grasp how wide and long and high and deep is the love of Christ.”</p>
<p>9. Grounded and Growing</p>	<p>Roots in self care are so important for growth and ones relationship with God. Remember: “I pray that, according to the riches of his glory, he may grant that you may be strengthened in your inner being”</p>
<p>10. Diggin’ In</p>	<p>Are we rooted in good creation care practices? What does the science teach us? Enjoy a science-y scavenger hunt around Massanetta where you will learn more about how God's creation works and what it needs to thrive.</p>
<p>11. Full in the Fullness of Love</p>	<p>How can we live into the Christian life in today's world, with today's current events, being rooted in Love?</p>
